

Rules of the Board

1. Anyone may post anything*.
2. All notices must be **dated**, either with a posting date written on the front of the notice, or else by a printed event date (e.g., the date of a concert). Undated and out-of-date notices will be removed.
3. Notices should not exceed **A4** in size. Larger notices will most likely be removed. *Ceteris paribus*, if space is tight, A5 (and smaller) notices will take precedence over A4 notices.
4. You may only remove, alter, or replace **your own** notices.
5. The two public Fulking notice boards (bus shelter and village hall) are **not** mutually exclusive. You are free to post the same notice to both.
6. This board is maintained by a **board warden**. The board warden can remove any notice at any time for any reason.
7. The board warden's decisions are **final**.
