The minutes of the planning meetings held on 21st November 2012 having been previously circulated, were **AGREED** and **SIGNED**.

KW added to that with hindsight The Parish Council should have had a neutral stance and not supported the planning application for 15 Clappers Lane as it goes against the Village Plan.

KW reported that there were no objections lodged on the SDNPA website as of this evening. One of the roof light will be able to be seen from the road but this will have no major impact providing the roof lights are installed as per the plan. After a brief discussion, there was a unanimous decision have a neutral stance on the planning application.

Meeting closed at 6.40 pm.
