The minutes of the planning meetings held on 6th February 2013 having been previously circulated, were **AGREED** and **SIGNED**.

The following application was discussed:-

SDNP/13/01530/FUL Perching Sands Farmhouse Edburton Road Fulking Henfield West Sussex BN5 9LS

Proposed extension and alterations to existing detached garage to provide a new residential unit for ancillary use in connection with the existing house.

KW reported that there were no objections lodged on the SDNPA website as of this evening and that the plans had not been called in by the SDNPA as stated on the website.

A short discussion was held and the Parish Council voted to have a neutral stance on the planning application, as similar smaller plans for the property have already been approved previously.

The Parish Council would like the following comments to be noted:-

- That this is yet another out building conversion to living space.
- That the building should not be separated from the main house.
- That in the future the building cannot be used for business purposes.

Meeting closed at 6.38 pm.
