The following matters were discussed:-

SDNP/16/03013/HOUS

**Location:** The Croft The Street Fulking Henfield West Sussex BN5 9LX

**Proposal:** Single storey front extension to extend kitchen and replace conservatory with sun room.

It was considered that this looks fine, is hidden, not adding much at ground level, is sensible, does not impinge, improves the house; the resulting vote was a majority of 3 neutral and 1 approval;

SDNP/16/02844/HOUS

- [A two storey extension to the west elevation](#)

Clappers House Clappers Lane Fulking Henfield West Sussex BN5 9NH

This represented a 20% increase in area. Three Councillors had visited the site and observed it was on a ridge and could be seen from Clappers lane and also the escarpment. As a Victorian looking design, the new wing was in keeping with this; the neighbours do not appear to object, and it was well hidden by trees; there was no reason to object to the development.

The resulting vote was a unanimous neutral.
