## Catch a 77 bus to Devil's Dyke and try one of these Linear Walks

**Devil's Dyke to Poynings Cross Roads (roundabout on the A281):** 2 miles via hill paths & Poynings, returning to Brighton on Stagecoach or Compass bus 17. Discovery Tickets may be the cheapest option: see 'Fares' section of this leaflet. Other Brighton & Hove bus tickets are not valid on the 17 bus. For times call 0871 200 22 33 or go to [www.traveline.info/se](http://www.traveline.info/se)

**Devil's Dyke to Upper Beeding:** Follow the South Downs Way west for approx four miles to Beeding Hill then 3/4 mile north-west down the hill to the High Street in Upper Beeding. Then take the number 2 bus back to Brighton.

**Devil's Dyke to Patcham:** Take the Sussex Border Path east and then south-east for approx three miles to Patcham. Catch a 5A bus from Old London Road to Churchill Square in Brighton.

The routes cross open downland, which is unsurfaced and bumpy and fairly steep in places. They can become muddy and slippery when wet, so take care! An average walker will cover about 1 mile in half an hour. Use Ordnance Survey Maps 122 (Explorer) or 198 (Landranger).

The mascot of the 77 bus, the skylark, is heard more than it is seen on the Downs. Its song fills the air as it ascends high into the sky.

**The 77 bus will stop at all bus stops on its route.** Along Devil's Dyke Road, you can also hail the bus to stop anywhere that is safe for the driver to do so. This includes Dyke Approach, Brighton & Hove Golf Club and Hangleton Bridleway.

**Relax!** Let someone else do the driving, while you sit back, relax and enjoy the view.

### Take in the views!

Why not sit on top and take in the superior views not normally visible from a car.

**Car free and carefree...** Take the bus to freedom! Freedom from traffic queues and parking hassles and the freedom to have a drink!

### The 77 bus is operated by Brighton & Hove Buses.

All buses are low floor and wheelchair accessible double deckers, with space for buggies. Most of route 77 is run commercially, but is part-funded by Brighton & Hove City Council and the National Trust. Together with the South Downs National Park Authority they form the 'Breeze up to the Downs Partnership', whose mission is to improve access by bus to popular downland destinations. For more information go to [www.brighton-hove.gov.uk/breezebuses](http://www.brighton-hove.gov.uk/breezebuses)  
The winter timetable for the 77 bus will be published in September.
