Important Road Work Information – Road Closure

Dear Sir / Madam

Re: Clappers Lane, Fulking

We are writing to inform you that we have received permission from West Sussex County Council to close Clappers Lane, Fulking between the dates of 25th September 2017 to 13th October 2017. The diversion will be via the A281 and Poynings Road.

However, access will be maintained for residents to all properties and businesses along Clappers Lane, Fulking. We will also be notifying the emergency services of the closure.

The closure is required to improve the drainage and clear the ditches in a number of locations along the lane before the winter sets in.

If you have any queries regarding the closure, please do not hesitate to contact us at the above telephone number.

Yours faithfully

M Benstead
