

PEEK FREAN'S
"COCOANUT SHIES" TIN

All the Fun of the Fair

A FASCINATING GAME
FOR ALL COMERS

TURN THE TIN UPSIDE DOWN. Fix wire supports for both screen and rope barrier in holes pierced in ridge. Place "Cocoanuts" in holders and put in position in front of screen under screen wires. With the left hand hold the tin steady and with the right hand draw back the ball so that the elastic is extended about 14 inches. Let fly the ball so as to knock out a "Cocoanut." A number on the screen indicates the marks for each "Cocoanut." If more than one "Cocoanut" is knocked off the highest mark counts. Each player takes a turn, and the first to reach 25 wins the game and receives the prize.
